

Heritage Hills will be implementing the following COVID-19 guidelines in order to keep our facility clean and safe for our members, guests and employees.

Some of the steps that we are taking to reduce the potential spread of the virus are as follows:

- Calling the course to prepay for rounds prior to showing up
- Allowing only single rider on carts. 2 bags, 1 rider (unless you are from the same household)
- Increasing the gap between tee times.
- Allowing only 2 patrons in the Golf Shop at a time
- Removing bunker rakes and ball washing stations around the course
- Limiting the offering of food and beverage services from the Clubhouse for Take Out or Pick - Up Only
- Increasing sanitation in public spaces and commonly touched areas
- Screening all staff upon arrival each day to monitor their health
- Educating staff on effective hand washing techniques

Our expectations of our guests are as follows:

- Stay at home if you or anyone in your household have any symptoms of COVID-19
- Stay at home if you have travelled within the last 14 days
- Practice physical distancing by staying a minimum of 6 feet away from other people at all times
- Wash your hands often while at our facility
- Practice coughing and sneezing etiquette
- Leave the pin in while putting
- Do not shake hands or high five to celebrate

Anyone not complying with the above expectations is not allowed on the Heritage Hills property and will be asked to leave immediately.

We are prepared to navigate the challenging circumstances that we are currently facing with everyone's safety in mind. We will continue to monitor the risks associated with COVID-19 on a daily basis and we will adjust our precautionary procedures as necessary.

Thanks for your Cooperation.
